

## Were Right, Theyre Wrong : A Progressive Program for the Millennium

They are wrong and we are right and Im going to prove it to you! -- Harry S. Truman, Democratic National Convention, 1948 A rousing political manifesto from The New York Times bestselling co-author of All's Fair One of Washington's most prominent Democratic strategists and co-author of the New York Times bestseller All's Fair offers a timely, accessible and entertaining response to the GOP's Contract with America -- just in time for primary season. With the Republican Congress blasting away at the federal government, James Carville, a top advisor to President Clinton, counterattacks. In *Were Right, Theyre Wrong*, he uses his trademark mix of pointed argument, homespun wit, and historic lore to deflate GOP claims that nothing is amiss in America that budget-cutting wouldnt cure. Carville staunchly defends a strong government -- one capable of teaching, feeding, healing, defending and sheltering its citizens -- and provides Democrats and progressives with a politically astute program for building upon what's best about our nation. Filled with anecdotes and political myths, *Were Right, Theyre Wrong* is a succinct, witty, fact-filled trot for judging the long primary season.
