

What the Bible Really Teaches: About Crucifixion, Resurrection, Salvation, the Second Coming, and Eternal Life

Keith Ward's new book is a vigorous and lively contribution to the debate on the authority of scripture, how we read the Bible, and how, he believes, a fundamentalist reading is unsustainable. Thoroughly grounded in the Bible, suffused with a profound and clear understanding of theology, this is a book that will enlighten many and help the many Christians who struggle with these issues.
