

How to Self-Publish & Market Your Own Book: A Simple Guide for Aspiring Writers Includes Special Section for Women & Minority Writers

This book provides easy yet effective tools used in publishing and marketing successful books. The authors include their personal experiences in publishing their first book, *Turning Stones Into Gems*. Sara and Mack list many resources in the appendix. Their book, *How to Self-Publish and Market Your Own Book*, explains how to: get free advertising, avoid common publishing mistakes, prepare a marketing plan, complete important registrations, select a book printer, etc. It also contains important information on the Internet and electronic publishing, including e-books, CD-ROMs, audio books, and websites. This book provides sample forms, pricing information, and sample budget worksheets. The book includes a special section of tips and resources for women and minority writers. Every aspiring writer can understand this simple guide.
