

## The Power of OUT: LGBT in the Workplace

Until now, the line has not been clearly drawn between the corporate closet and the revolving door. New research from the Center for Work-Life Policy quantifies the loss to U.S. companies that fail to create a workplace hospitable to their lesbian, gay, bisexual, and transgender employees. Our data show the consequences of LGBT employees forced to keep their lives and loved ones a secret from colleagues. Also included in the report are cutting-edge initiatives employed by a range of companies to break down barriers for their LGBT employees.
