

# Why Not Now? Leaders Guide: You Dont Have to Grow Up to Follow Jesus

Its easy to procrastinate. We wait to finish papers until the night before theyre due, buy flowers the morning of Mothers Day, and clean our rooms only when we cant see the floor. Unfortunately, just as we delay the chores of everyday life, many young people wait for years before answering Gods call. Whats stopping us from living for Christ today? Mark Matlock tackles the problem of procrastination in Why Not Now?, a study of major biblical figures---like Mary, Joseph, Daniel, and others---who dedicated their lives to God at an early age. We can learn from their experiences to take charge of our own faith and realize that God wants to be part of our day-to-day, instead of our once-in-a-while. With additional profiles of young people living for Christ today, Why Not Now? will help you learn from the examples in the Bible and embrace the same faith in your own life.
