

Writing in Obedience - A Primer for Writing Christian Fiction (Writing With Excellence)

This book is for the new Christian writer or the writer looking to decide how God wants them to incorporate their faith into their writing. How do we know what the Lord wants us to do? Are we being called to write or do we want to write for Him as an offering? What is required of the author using their writing for the Lord and how do they go about it? What do we really want to achieve with our writing, and how do we define success?
