

Anabasis

Anabasis is the most famous work of the Greek professional soldier and writer Xenophon. The journey it narrates is his best known accomplishment and one of the great adventures in human history, as Will Durant expressed the common assessment. Xenophon accompanied the Ten Thousand, a large army of Greek mercenaries hired by Cyrus the Younger, who intended to seize the throne of Persia from his brother, Artaxerxes II. Though Cyrus' army fought to a tactical victory at Cunaxa in Babylon (401 BC), Cyrus himself was killed in the battle, rendering the actions of the Greeks irrelevant and the expedition a failure.
